¹ **Exhibit A** indexes are attached to each previously filed § 546(b) notice. This column corresponds with the reference numbers used in those previous filings. For example, a row denoting ECF 5952 and Ex. A. ref. no. 12 would refer to a lien included in the § 546(b) notice filed at ECF 5952, that lien appearing on that notice's **Exhibit A** index as reference number 12. A N/A denotes that reference numbers are not applicable (i.e., only one lien was filed with the notice).
